

# Notes on the Sixth String

## The "Low E" String

JUST LIKE THE HIGH E NOTE, WE DON'T NEED A FINGER TO PLAY THE LOW E NOTE. JUST PLAY THE OPEN STRING!!!

TO PLAY THE "F" NOTE, JUST USE YOUR FIRST FINGER!!!

TO PLAY THE "G" NOTE, USE YOUR THIRD FINGER, BUT DON'T LET GO OF THAT FIRST FINGER!!!

These are the same notes as the high "E" string, they're just two octaves lower!!!
