

# Notes on the Third String

## The "G" String

WE DON'T NEED A FINGER TO PLAY THE "G" NOTE...JUST PLAY THE OPEN STRING!!!

TO PLAY THE "A" NOTE, USE YOUR SECOND FINGER!!!

TO PLAY "B", USE YOUR FOURTH OR PINKY FINGER!!!

*The "B" note on the fourth fret is the same note as the "B" note on the second string played open. This is important to know for tuning and playing some cool licks later on!!!*
